**Colorado Coaches of Girls Sports
VOLLEYBALL ALL-STATE BALLOT**

Selection process:

For CCGS:

1. Each classification will select the top 4 setters from their classification ballots. All remaining setters will be ranked in order to determine alternates list.
2. Each classification will select the top 2 liberos from their classification ballots. All remaining liberos will be ranked in order to determine alternates list.
3. Each classification will select the top 12 all state volleyball players from their classification ballots. An alternate list of 6 should be created.
 - a. **To ensure ALL STATE representation; all number ones of leagues that are represented by either attendance or notification will be chosen.**
 - i. If a setter/libero who was ranked #1 was chosen as one of the four from step 1 or step 2, then we will not select the league's number 2 automatically.
 - ii. A high amount of athletes from one team or one conference should be avoided.
4. All remaining spots will be filled by each league representation submitting one name from their ballot to be considered by the assembly. Those in attendance at the meeting determine what name will be put forward for the entire classification to vote on. League ranking is the responsibility of the league.
5. Each member coach in attendance will be allowed to vote.
